Membership Recruitment Continues

While our big membership drive traditionally occurs at the end of each year, we continue to welcome new members into the Park Shore Association as new families and individuals move into the neighborhood.

If you know of a new resident or a neighbor who would like to join, please encourage them to do so.

A household membership is just \$100. Seventy-five percent of this annual fee covers operating expenses, such as maintaining the grounds and restroom facility at the beach park. The rest goes toward a capital fund to help pay for future improvements. For new members, there is a one-time initiation fee of \$200.

For additional information or to find the renewal/new member application, please visit our web site at www.parkshoreassociation.com.

NEWS FROM THE PARK SHORE ASSOCIATION

Dear Park Shore Association member:

I am sure everyone can agree that this season has been one of the busiest for Naples and Park Shore. It was wonderful to see so many members at our annual Spring Fling and Easter Egg Hunt. The weather cooperated and our beach park was in top condition. I would like to thank our newest team member, Don Fairman, who is our Park Manager. Don has been doing a great job looking after all horticultural and operational items.

Good things will continue in Park Shore over the summer months. The Park Shore Plaza owners, Brixmor Property Group, will be upgrading the shopping center. The Burlington Coat Factory and Party City will be occupying the former Kmart space. The remaining buildings will have their front elevations updated and the numerous tree islands will be added in the large parking lot.

At the intersection of Park Shore Drive and U.S. 41, a new Park Shore sign will be constructed. The sign will be in the similar style as the monument sign recently built at the Raymond Lutgert Park. Coral stone piers and our new logo will create an upscale feel as you enter Park Shore. Also, energy efficient LED landscape lighting will illuminate the new sign and the mature palms in the entry island.

The Park Shore Association continues to work with the City on maintaining our beautiful community. We promptly notify the City if maintenance is needed in the public areas. The City Building Department has added a full-time employee who oversees the numerous active construction sites in the City. There are several new homes under construction in Park Shore and more are in the planning stages. This additional oversight should protect neighboring homes from construction activity.

Safe travels over the summer months, we look forward to seeing everyone again next fall.

Sincerely,

Mark V. Borelli

Easter Fun at the Raymond Lutgert Park

More than a hundred children of all ages descended upon The Raymond Lutgert Park at Park Shore on Saturday, April 4th for our annual Easter Egg Hunt.

Under warm, sunny skies, a traditional egg hunt was conducted in two categories – children 0-4 and children 5-12. More than 2,500 brightly colored eggs filled with candy were found, with prizes going to the top three children in both age categories.

The Easter Bunny also was on hand for memorable photos with the kids and their friends and other family members. This year, we were delighted to welcome Florida Gov. Rick Scott who has family in the area.

We would like to thank Park Shore Association board members Mark Klym, Helen Ashley and Rowan Samuel who worked hard to pull off this very special day for the children. We also want to thank those who helped hide the eggs early in the morning and those who stayed around to assist with the cleanup.

Hundreds Enjoy Spring Fling Event

The sun was shining and there was a light breeze coming off the Gulf of Mexico as nearly 400 Park Shore Association members and their guests enjoyed the 2015 Spring Fling at the Raymond Lutgert Park at Park Shore.

It was a relaxing afternoon as our friends at Artichoke & Co. distributed delicious appetizers to members socializing on park benches and in their lawn chairs. Live entertainment also was once again provided by the three-member Island Breeze Band, while volunteers served up ice cold beer, wine and soft drinks.

There also were plenty of games and activities for the kids, including an appearance by "Jeff the Juggler" who performed a 30-minute children's show filled with comedy, magic, audience participation and juggling. He also performed balloon twisting for the kids, creating balloon animals and other fun creations.

A lot of planning and work goes into the Spring Fling event, which is highly anticipated each year by members. We want to thank our friendly volunteers for their assistance during and after the event.

Going Away This Summer?

You can download a Vacant Property Form, which lets the Naples Police Department know the dates of when your home will be vacant and provides the police with emergency contact information, if needed.

While you are gone, a member of the Naples Police Department will make periodic checks on your residence as well. For additional information, go to www.naplesgov.com and click on "Police Department."
