

## NEWS FROM THE PARK SHORE ASSOCIATION

### Dear Park Shore Association Member:

Thank you for your continued support of the Park Shore Association. It is hard to believe that another season in Naples is rapidly coming to a close.

As northern areas of the country struggled with a very snowy winter this year, we enjoyed a very sunny and warm winter. I trust that you spent plenty of time at our beautiful beach park!

There will be several City of Naples projects taking place this summer in Park Shore. These include the repaving of Park Shore Drive from Crayton Road to U.S. 41. Also, the traffic median and side concrete paver walls will be removed Crayton Road and Whispering Pine Lane, replacing with a traffic walk with security flashers for pedestrians.

The City of Naples also plans to replace the street signs that were damaged in the hurricane. Finally, the City along with funding from the Park Shore Fund will be replanting the street trees along Crayton Road that were lost in the hurricane.

On a serious note, the Collier County Commission is considering the construction of a large 400 space parking garage at the current beach access parking lot at Clam Pass. This parking lot at the end of Seagate Drive is not located in the City of Naples. The Park Shore Association opposes this proposed project as it will bring additional traffic into Park Shore especially on Seagate Drive and Crayton Road.

A large parking garage is completely out of character for an upscale residential neighborhood. I urge that you contact your representative on the Collier County Commission to express opposition to this proposal.

We wish you safe travels this summer. For updates on Park Shore news and events throughout the summer, check out our Facebook page.

Sincerely,

*Mark V. Borelli*

Mark Borelli  
2018 President

## Easter Fun at the Raymond Lutgert Park at Park Shore

Our recent Easter Egg Hunt at the Raymond Lutgert Beach Park was a tremendous success with hundreds of children and grandchildren combing the grounds and bushes for bright colorful eggs.

The event began with a traditional Easter Egg Hunt in two categories – children 0-5 and children 6-12. More than 1,500 brightly colored plastic eggs filled with candy and toys were found. There also were golden eggs for the top winners in both age categories who were awarded baskets with more goodies.

Those in attendance also enjoyed special holiday themed music and spending time with the Easter Bunny, with many getting memorable photos taken with their friends and other family members.

We would like to thank all the wonderful volunteers who came out to help pull off this very special day for the children, hiding the eggs and purchasing the prizes and those who stayed to assist with the cleanup.

## Hundreds Enjoy Spring Fling Party in the Park

The sun was shining and there was a light breeze coming off the Gulf of Mexico as nearly 400 Park Shore Association members and their guests enjoyed the 2018 Spring Fling at the Raymond Lutgert Park at Park Shore.

It was a relaxing afternoon as our friends at Artichoke & Co. distributed delicious appetizers to members socializing on park benches and in their lawn chairs. Live entertainment also was once again provided by the three-member Island Breeze Band, while volunteers served up ice cold beer, wine and soft drinks.

A lot of planning and work goes into the Spring Fling event, which is highly anticipated each year by members. We want to thank our friendly volunteers for their assistance during and after the event.

## How to Enjoy Our Wonderful Beach Park

The Raymond Lutgert Park at Park Shore is a truly unique amenity to be enjoyed by all members of the Park Shore Association. We ask that you please help us protect and preserve this community gem.

With increased usage of the park comes increased trash concerns. There are a limited number of trash bins located near the entrance to the park. These bins are for smaller items to be discarded. There also are a couple of large recycle bins for recyclable items such as glass, aluminum and paper.

Bulkier items, such as lawn chairs, beach umbrellas and poles **MUST** be discarded in the green dumpster located at the eastern end of the parking lot. These items **WILL NOT** be collected if placed next to the smaller trash bins.

Finally, please note that the paved beachwalk in front of our park is private property of the Gulfshore Association of Condominiums (GSAC). As such, you are prohibited from using this walk unless you live in one of the waterfront condominiums along Gulf Shore Boulevard which pay to maintain this property.

---

## Important Membership Renewal Information

As many of you and your neighbors prepare to head north for the summer, we want to remind you of some very important items as they relate to the annual membership renewal process.

Each year, the Park Shore Association conducts membership renewals in the fall. This year, we estimate that the Association will be mailing out the membership renewal notices on or about October 15, 2018.

Please note that it is imperative you send your check with the detachable coupon to the address stated on the form so that your renewal can be properly processed by our bank. For this reason, we encourage you to arrange to have your mail forwarded to your seasonal address so you receive the notice on time.

This past year, we experienced a significant number of late payments received well after the mid-December due date (some as late as March). This resulted in several processing errors and a delay in members being able to get their new beach passes in a timely fashion from their local block captains.

Please make sure you return your 2019 renewal payment before the stated due date to ensure that you receive your Beach Passes and Membership Directory and do not incur a potential late fee penalty.

Again, thank you for your membership and best wishes for a wonderful summer no matter where you travel.

## **Code Enforcement Information\**

Keeping Park Shore beautiful and pleasant for all our residents is a top priority.

If you should have a concern about noise, signs in front of homes, boats or other restricted vehicles, or vacant lots not properly maintained, the Naples Code Enforcement Department should be contacted.

The Code Enforcement Department is available Monday through Friday from 8 a.m. to 5 p.m. by calling 239-213-5030. For after-hours service, call the City of Naples Police non-emergency line at 239-213-4844.

Complaints are logged into the City's system and are given a number for future reference. Please provide as much detail about the potential violation during your initial contact and the matter will get resolved.
